a Avenue would not be paved un street are very anxious for pay izens who want to make Mexico a city live along this thoroughfare and hould be encouraged in their effort secure paved streets and granitols This is the way to make city. From what we can hear there il be several miles of street payog put down in Mexico next year.

burses seem to think personal abuse proper way to win for them and for their candidates. We find some running for office who put most of their time abusing the ing candidate, even it he are to the same party. We also nd other people who believe that the party is by personal abuse of the oponling party. The people as a whole not appreciate this policy. There patriots than partisans. The rank and file of the people believe a graft and corruption can Demo sals are going to win in Missouri ad we feel confident they are, they organize along harmoniou

The Story of a Medicine. Its name—"Golden Medical Discovery"

as suggested by one of its most imported
and valuable ingredients — Golden

Note, Sealy forty years ago, Dr. Pierce dis-leved that he could, by the use of pure, and derive of constantly maintained at and with the aid of apparatus and reat and with the aid of apparatus and appliances designed for that purpose, extest from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the new world-amed "Golden Medical Discovery," for the euro of weak stomach, indigestion, or respectate the end of the euro of weak stomach, indigestion, or respectate to the euro of weak stomach, indigestion, or respectate to the euro of weak stomach, indigestion, or respectate the end of the euro of the euro of the euro of the end of t

de book of these endorsements has ompiled by Dr. R. V. Pierce, of A. N. Y., and will be malled free to be asking same by postal card, or addressed to the Doctor as above. or addressed to the Doctor as above, or addressed to the Doctor as above, in these endorsements, copied from his control of the ingredient sensor of all the differshools of practice, it will be found the ingredients composing the "Gold-Nedical Discovery" are advised not fer the cure of the above mentioned bass, but also for the cure of all calai, proneinial and threat affections, ampained with external discharges. Somess, sore throat, lingering, or year-company, and all those wasting items which, if not promptly and erly treates, are liable to terminate assumption. Take Dr. Pierce's Discovery in time and persevere in its may you give it a fair trial and it is not to disappoint. Too much must not be called it. It will not erre communition advanced stages. No medicine will, ill cure the affections that lead up to amptior, if focker in time.

VOL. LII. and fight for the party and Abuse of the opposition aders will not win. The people

R. M. WHITE & SON, EDITORS AND PROPRIETORS]

don't care so much whether are a Democrat, Republican. Mugwump, so that you give them a clean, economical, dignified administration. Personal abuse of the oppo tion or the leaders does not always redown to the good of your party. What is the use of "cussing" and abusing Republicans when you want them to vote your ticket next November. If you keep driving Democrats

THE Teachers' Meeting to be hold at McMillan High School August 19 and 20 should be attended by a cry teacher in the county. School directors are eminently correct when in connection with the awful disastake an interest in meetings of this
